

Dog Grooming Prices

The price range I give you is only valid if the dog is groomed on a regular basis of at least every 6-8 weeks. If the dog isn't groomed regularly then the price will be adjusted according to the dog's condition of the coat. The price also varies depending on the size of the dog and your dogs' temperament during the grooming process. The grooming prices are never a set price per dog it can vary per visit coming in.
